(Reserved)

Dear Patty B.,

I want to promise first off that I'll try to finish this without stopping - it seems I have a habit of stopping to remember some of the good times that we're all had the last few years but that just doesn't fill an annual page.

I guess you and I have had an awful, awful lot of fun together gunnis in the 8th and 9th grades - slumber parties, steak ~~for~~ fries, canteen, trips to Brady and then those times that we just ridden around and talked.

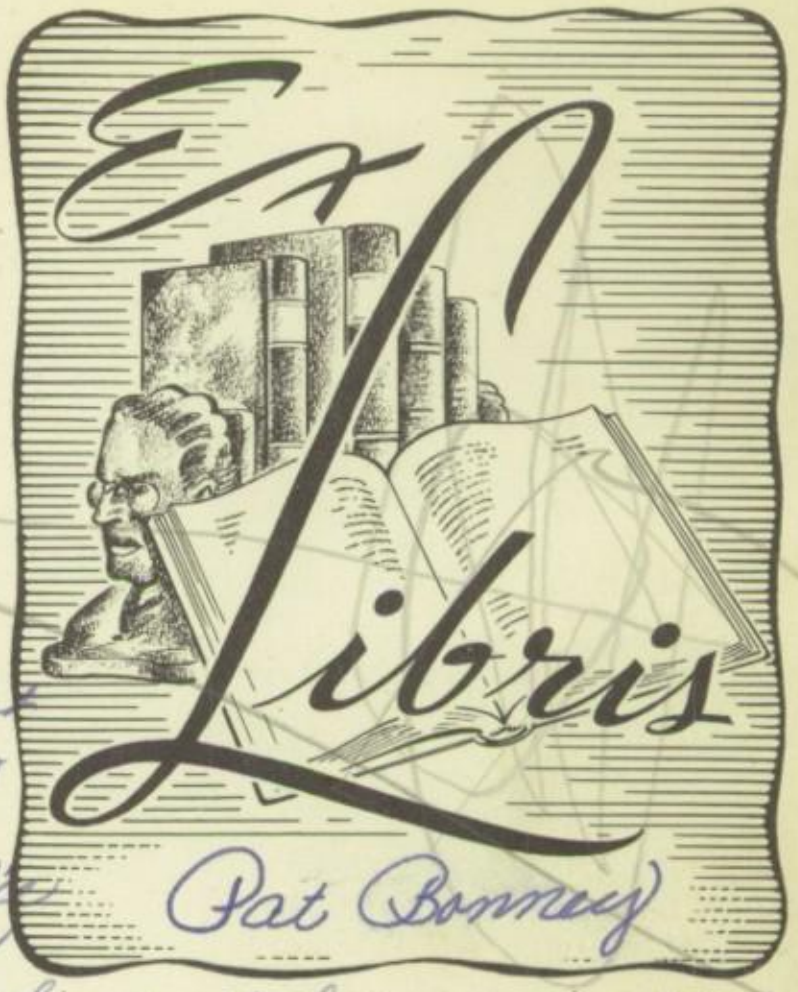
And boy - have we ever had some intelligent talks on just one subject - BOYS. I guess we're both had our share of them - haven't we - and now we're both found that one.

Good luck to you and Buddy all through your future together - may it be long and happy. Well we've got a lot more fun coming in the next few weeks so bye now and love, Betty -

P. S. When you and Buddy have a whole house full of kids, please remember some of the fun we've had and maybe those diapers won't seem so dirty or the dishes so badly in need of washing - love ya

(Reserved)

PAT BONNEY



Dear Pat,

Well, gal, we've shared a lot together, but things are coming to a quick close. No matter what may happen or where I'll be in the future I'll always remember you. We've got the kind of friendship that you just don't forget. Pat, you've always been so sweet to me and backed me up in everything that I've ever done. Being in the band was a privilege I'll always treasure, and you helped make it possible. You're a good Christian and one of the finest girls I'll ever know. Remember all of our good times - I will. I hope you and Buddy have a wonderful life - I sincerely think you will. You both deserve the best. See you at the wedding.

Love always,
Nancy

Dear Pat,

Well I guess you won't be around next year to keep me from being stupid. No joke I really think the world of you. I really think your lucky and your ring sure is pretty. Best of Luck to a very nice gal.

Always a friend

Dear Pat,

Well, it looks as though our years in school together are about over. I never thought the "East Side kids" would make it through!! No, seriously, I knew we'd come through. Gally Pat, we've shared so many good memories together. Remember

FAVORITES

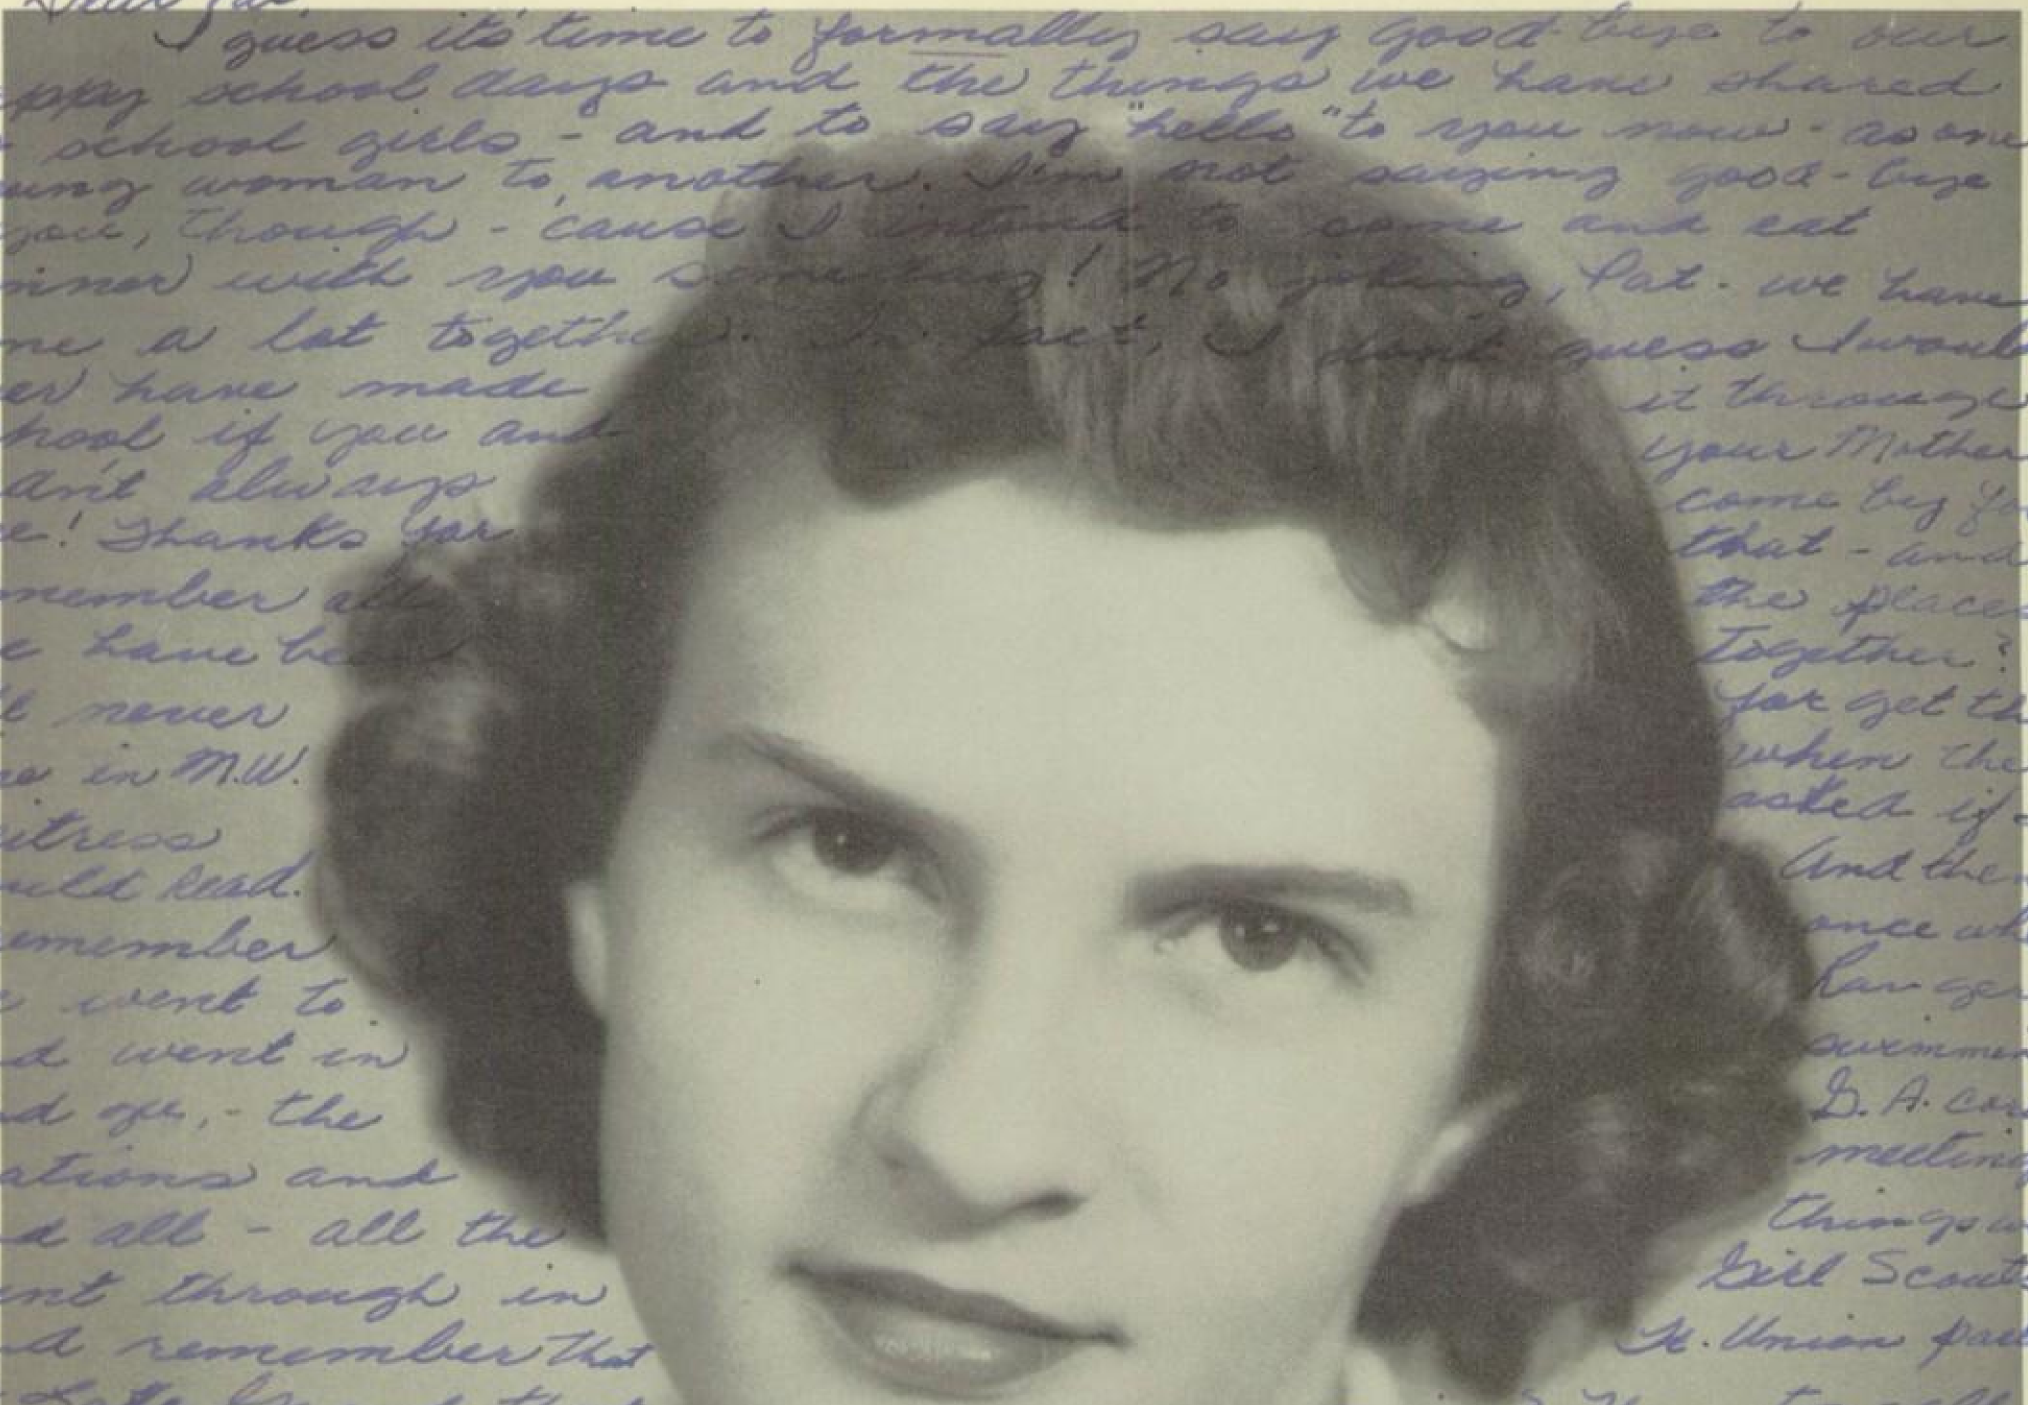
in East and when Mr. Rawson called you "Pat Boney"! Oh, those were the good old days. Then remember all the fun in Spanish classes and on Spanish trips.

Pat, I'm so glad you have found happiness and love. I know you and Buddy will have a wonderful life together. You will make him a wonderful wife. I sincerely wish you happiness throughout your entire life.

Goodbye and good luck to a very sweet and talented

P.S.
Yea! Seniors!

Love you,
Shirley



Dear Pat,
I guess it's time to formally say good-bye to our happy school days and the things we have shared as school girls - and to say "hello" to you now - as one young woman to another. I'm not saying good-bye to you, though - 'cause I intend to come and eat dinner with you sometime! No joking, Pat - we have done a lot together. In fact, I don't guess I would ever have made it through school if you and your Mother hadn't always come by for me! Thanks for that - and remember all the places we have been together? I'll never forget the time in M.W. when the waitress asked if I could read. And then I remember once when we went to Ranger and went in swimming. And oh, - the D.A. coronations and meetings and all - all the things we went through in Girl Scouts and remember that Tr. Union party at Lake Grand that time? Then, too - all the times we talked all Sunday aft. and then were late to Tr. Union because we didn't finish eating in time! Gosh - those were really the days. Pat, I wouldn't take anything in this world for all those and many other memories we have - and I wouldn't trade your friendship for anything in the world, either. I don't have to waste words telling you what a grand person I think you are - and how much you have meant to me. And I don't have to wish you happiness and luck - because you already know that I want you to have everything in life that is good, high, & that you want. I'll always pray that for you. And Pat, whatever the future brings for you or for me, I want us to go on being friends. Maybe, someday, I'll get Marvin "down the aisle" - till then, I guess I'll have to be content just sharing in your happiness.

I love you, always,
Eloise

Dear Pat,
This has really been a short year but it's been full of wonderful experiences. We have been friends for ever so long and it was all pleasure. Being in the band was the greatest honor I have ever had and I don't expect to have another that will enjoy any more. We carried the Bucks to State! Remember outside the dressing room? Pat, it does seem rather funny that one of our "gang" won't be single much longer, but I'm so happy for you. I want you to have a very full and prosperous life. I'm sure you will 'cause you're the kind of a girl that can find happiness any where you go. Always remember our good times together.

COACHES

Hats off to our 1952 coaching staff, who led the Buckaroos to the state AAA championship! At the head of the Bucks was Coach Joe Kerbel, assisted by Coaches Harris and Robertson. We are very proud of the Bucks, their Coaches, and their glorious 1952 football season.

BIG SPRINGS - The Breckenridge Buckaroos, 1951 AAA champs, started off the 1952 football season with an inspiring victory over Big Springs. Keith ran 45 yards to pay dirt in the Bucks' first play of the game. Four other touchdowns were scored by Ford, B. Dendy, and Keith, who kicked the three extra points to defeat the Steers 33-0.

WICHITA FALLS - The Bucks suffered their first defeat of the season from the powerful Wichita Falls Coyotes with a score of 13-0. The Buckaroos played a good fast game, holding the Coyotes scoreless in the last half, but could not recover from the two Coyote touchdowns made in the second quarter.

SAN ANGELO - Coming back with renewed strength, the Bucks by-passed the San Angelo Bobcats 27-0. B. Dendy went all the way for a thrilling touchdown in the opening minutes of play, and Beasley scored once in the first quarter and once in the second. Phariss skirted over for the last Buckaroo score late in the first half. The last half was turned over to the second-stringers, who did a good job of keeping the Bobcats in their end of the field although there was no scoring.

ABILENE - The best and most exciting non-conference battle was the game with the Abilene Eagles which ended in a Buckaroo triumph of 34-13. It was a game that saw Ford firing the ball in good passes; Phariss and B. Dendy plunging for hard gains; Keith snagging passes; Tubbs delivering crushing blocks and tackles; W. Greenlee and Thiebaud keeping busy in the Eagle backfield; Lockett and C. Dendy blocking kicks as well as players; and Masner and Beasley blocking for some of the Bucks' long ground gains.

AUSTIN, EL PASO--The Buckaroos defeated Austin of El Paso by a score of 37-14 in a thrilling game opening with two plays seldom, if ever, seen in Texas schoolboy football. Both teams scored in thirty-five seconds of play by running back kickoffs all the way. But due to the violation of a minor interscholastic league rule, the game had to be forfeited a week later.

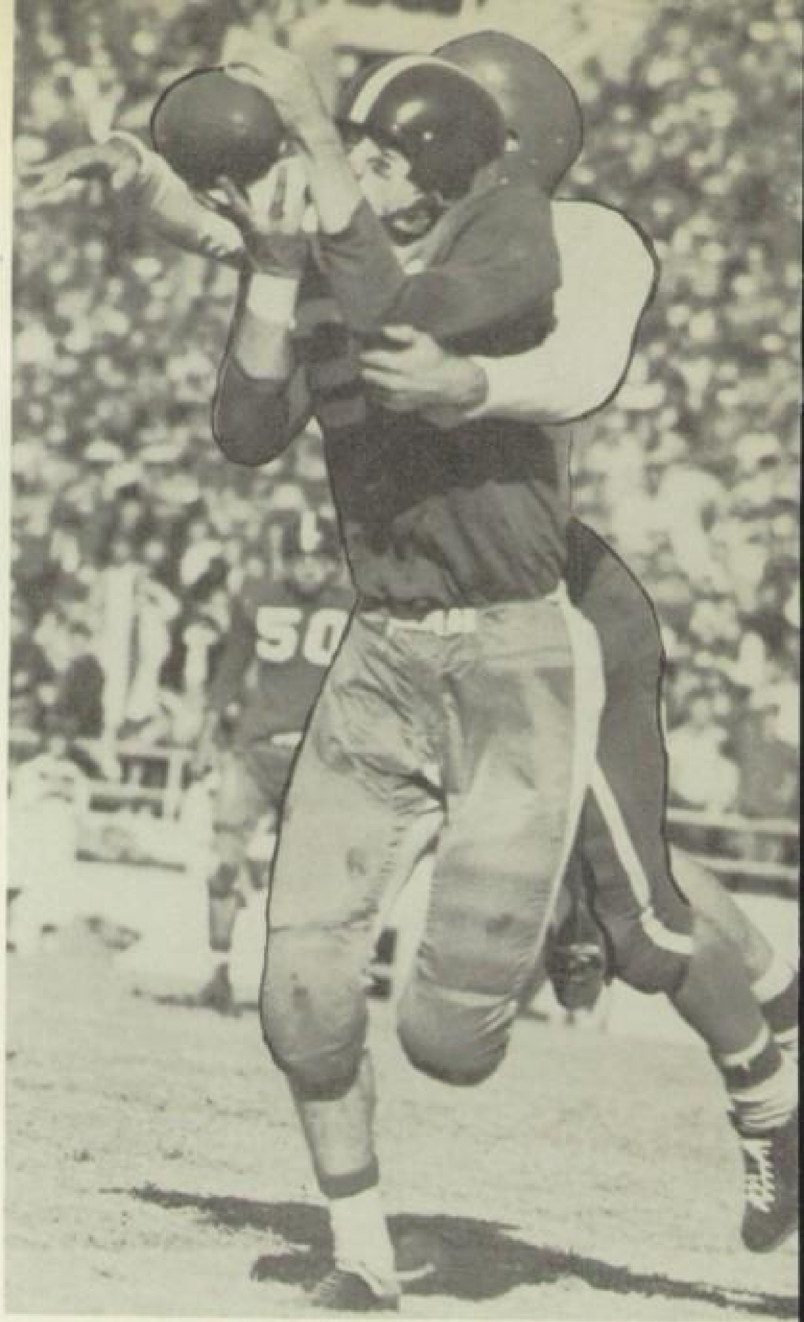
WEATHERFORD - The Bucks started their conference play with a landslide victory over the Weatherford Kangaroos. The Bucks wrapped up the game in the first eight minutes of play, racing for four touchdowns. The first of these was made by Keith, the next two by the pass-combination of Ford, Beasley, and the last B. Dendy. In the second quarter Phariss bolted 57 yards to the pay station. Keith successfully booted all extra points, making a score of 35-0.



GRAND PRAIRIE - A touchdown pass from Ford to Masner early in the first quarter started off the playing that made a fine victory for the Bucks and a gruesome Halloween for the Gophers. Two scores were made in the second quarter by Ford and Phariss. Keith made one in the third and one in the fourth. Four out of five of Keith's kicks were good. In the last few minutes of playing time, the Gophers scored, making the final score 34-6.

CLEBURNE - Phariss started the ball rolling for the Buckaroos midway in the second quarter by plunging one yard for the extra point. Late in the same quarter Ford ran three yards for another score. In the third period the Bucks plowed 64 yards in five plays for a touchdown the first time they got the ball. Keith converted B. Dendy ran 32 yards for the final touchdown early in the fourth quarter. The game ended in a 26-0 score making the Bucks third straight conference victory.

Dear Rat,
well I kinda hate to leave this joint, but I guess I will. I have really enjoyed knowing you all these ten years. I think you're a swell gal. Best of luck to

IRVING - The Buckaroos defeated the Irving Tigers by a neat margin of 41-7. The Bucks racked up 21 points in the first quarter Keith making 2 touchdowns, B. Dendy one. They added 13 in the next by B. Dendy and Keith. Newcomb made another six points in the third. Keith's toe failed only once in six tries, the Tigers scoring one time.

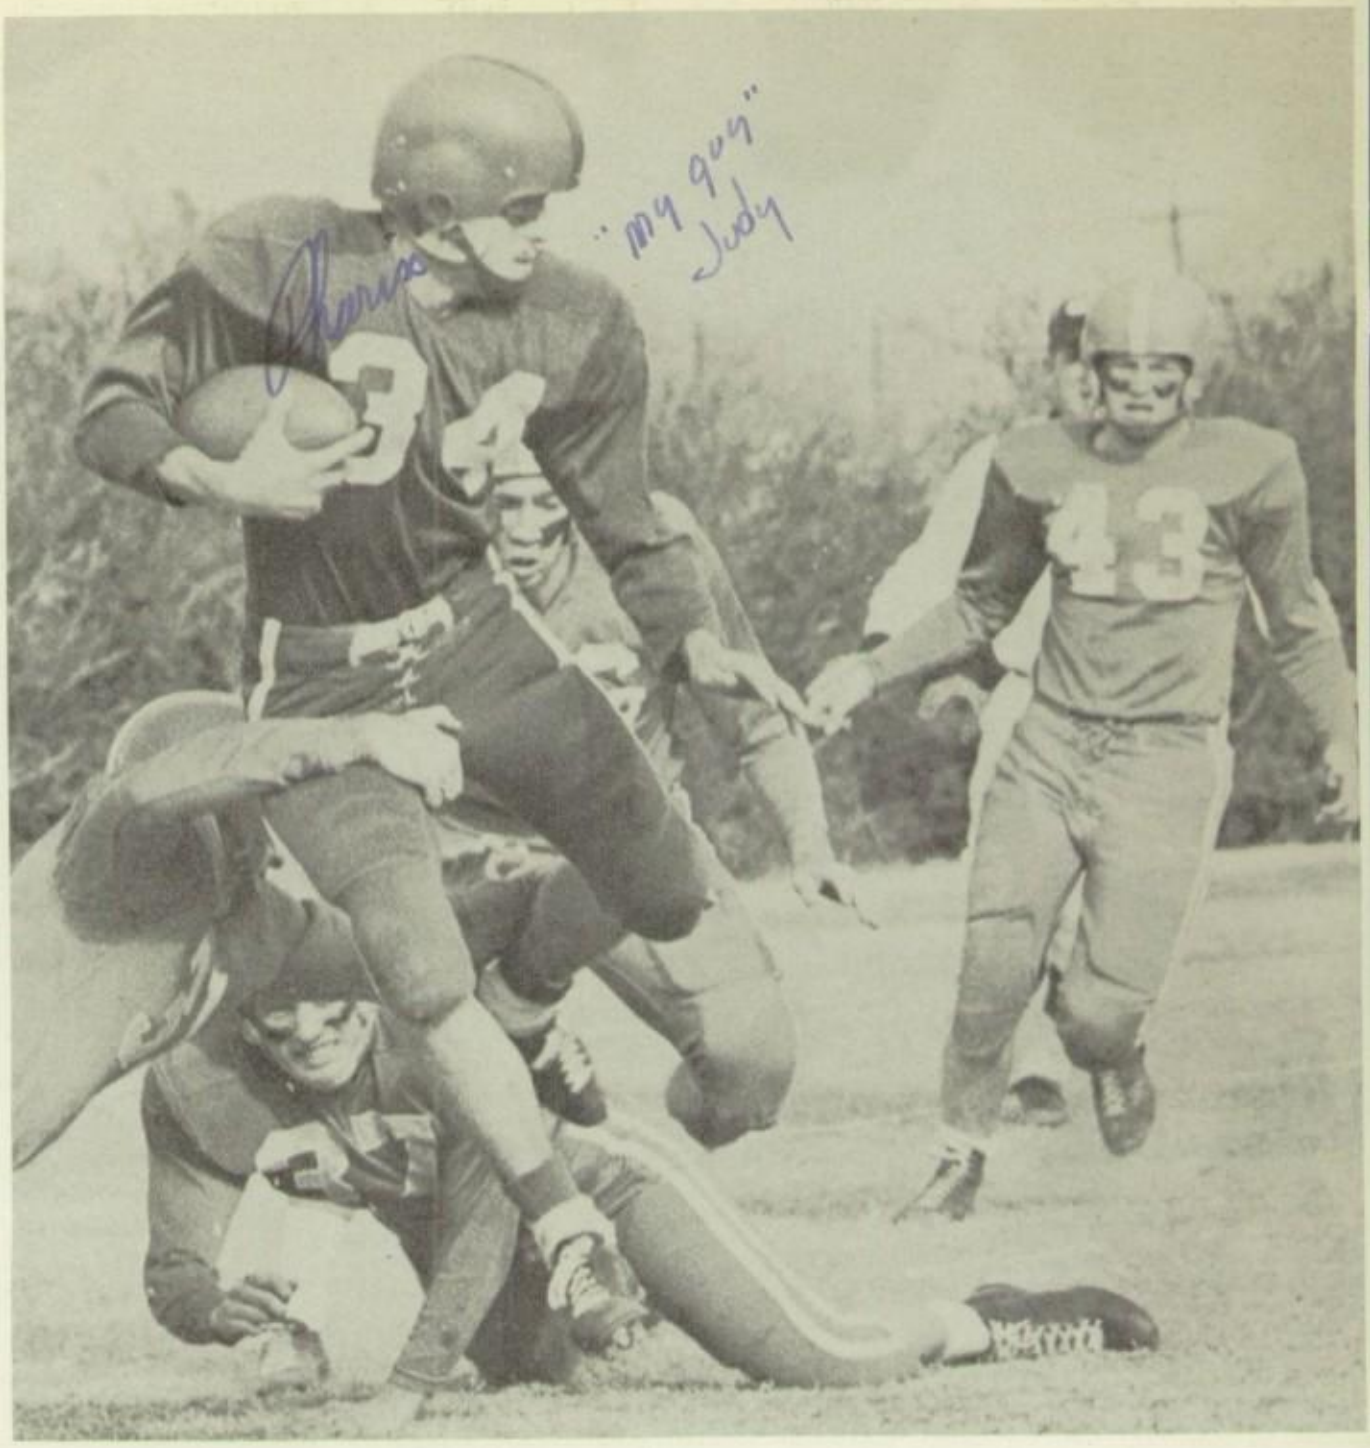
BROWNWOOD - The Bucks wraped up the district 2-AAA title by defeating the Brownwood Lions on Thanksgiving Day. The Lions started the scoring with a touchdown in the first quarter. Then B. Dendy took the Lions' kick-off on his 20 and ran all the way to tie up the score 6-6. From there on it was the Bucks' game. Keith made a touchdown in the second period and another in the third. A pass from Ford to Beasley and another to Keith produced the other two scores of the game. Only one of Keith's extra point tries failed, and the Bucks won 34-6 to be district 2-AAA champs.

Lots of Luck to a swell girl Pharis



LAMESA - The Buckaroos, met the Lamesa Golden Tornadoes at Sweetwater for the bi-district tilt, in a breath-taking thriller. In the first quarter, B. Dendy scored a touchdown and Keith kicked the extra point. The score at the half remained 7-0. In the third period the Tornadoes made a touchdown, with the Bucks still leading 7-6. Then the Tornadoes scored another seven points in the fourth quarter. But with only 80 second to play, Keith leaped over a pile-up for six precious points, which tied the score 13-13. As the fans stood breathless, Keith kicked and it was good! The Bucks won by the slim margin of 14-13 to gain semi-finals.

TEXARKANA - Playing before a capacity crowd in Buckaroo stadium, the Bucks lashed the Texarkana Tigers to the tune of 34-7. A pass from Ford to B. Dendy produced the first score of the game mid-way in the first quarter. The second period was scoreless. A 58 yard sprint by Phariss, a pass from Ford to Keith, who ran 13, a run of 12 yards by Phariss, and three extra points by Keith made a score of 27-0 at the end of the third quarter. The Tigers scored once in the fourth. Morton hoisted a shot in the end zone to Noletubby for the final Buck score. This victory gave the Bucks the right to meet Temlpe once again in State Finals.

TEMPLE - The Buckaroos met the Temple Wildcats in Baylor stadium for the state championship of class AAA. It was the second consecutive year these two teams battled for this honor. Temple started the scoring with seven points in the first quarter and six in the second. Four minutes in the second quarter, Ford passes 11 yards to Keith for a touchdown and Keith converted. Then W. Greenlee intercepted a pass from Traylor and ran seven yards for a score, and Keith kicked, making the score 14-13. A touchdown pass from Traylor to Ernest put Temple in the lead 20-14 at the half. The Bucks seemed to come back stronger after the half, while the Wildcats weakened. Keith plunged one yard for a touchdown and made the extra point in the third period. In the fourth, Dendy made the final tally, making 28-20 the final score, and the Bucks 1952 AAA Champs. All was general confusion as the fans ran out on the field to congratulate coaches and team.

Dear Pat.

Its really been swell going to school with you these past years. I think these past two years have been the best two years any seniors can ever have. Everyone can say they have had a great senior year. I guess you will be starting a new kind of life pretty quick and I hope you are really happy. Hope you get your 2 boy and 1 girl alright to. Dear Pat,

I don't really quite know what to say, because I know I could never write exactly what I mean or how I feel about you. I'm just glad I'm at home right now, because some people might think I'm a little silly, and they couldn't understand why I'm crying now. I wouldn't trade anything for your friendship or any of the good times we have shared. I don't know what I could have done without your help when I got mixed up in some "affair". Boys are an awful lot of trouble, but I'll surely admitt, they're worth it!" I guess I could sit here all day and still be thinking about different things that have happened to us and the jokes we have had. the kleenex!!! my poor ole lip - your "hoe" and "hoss" - our slumber parties (with all of us and just you and me) all our boyfriends The State game(s) - pep rallies - band trips - the coronation - I'll never forget walking with Jerry and you with (my) shoes off!! - our detailed plans to paint a certain tank - the swimming pool and our tans! - our many telephone conversations - long and drawn out ones here!

Well, after we graduate, I'll be going one way - Jack - and you'll be going another - Buddy. No matter how far apart in miles we are, I hope we can always keep in touch with each other. I know I could never forget you or the memories connected with you. May you and Buddy have the very best of everything in the years to come, and I wish you all the happiness in the world. In a couple of years when you start thinking about baby-sitters, just remember "old maid" maggie is ready and willing!!!!!

Love always,

Margaret

Dear Pat,

I guess will always remember the years in E. W. S. - and, of course, Girl Scouts - esp. those bicycling and hiking badges! It was lots of fun - Of course, when we converted to Boy Scouts in Jr. High, we really had a great time! Now, that you're practically married, and we'll probably never see each other for ages - I guess about the only thing left to say is good luck to a sweet girl -

Always,
Phyllis Kuperman

Dear Pat,

I'll never forget when I first entered Jr. High when you and Carol took over and really helped me to get acquainted. I would have never made it if it hadn't been for you. You've really been swell.

I'll never forget the night of your slumber party last year. That was really a grand night, and I'll never forget it. We really had a good time the night of the steak fry too. Times like those will never be forgotten. Being in the band with you all these years has certainly been loads of fun. Don't ever forget all of this.

I want to wish you and Buddy all the success and happiness in the world. I'm really happy for you. I'd love to be here for the wedding, but it looks like I can't. I'm still going to take you up on that dinner date though. You'd better get out your cameras Pat, you're a wonderful girl, and I know you'll make
